Electrician Construction

Thiele Kaolin Company, a leading provider of tailored mineral solutions, is currently recruiting for an Electrician in our Electrical Construction Department. This position is located in Sandersville, Georgia.

MAJOR DUTIES:

- Manage contractors installing new and existing electrical and electronic systems within the plant and mine facilities with the goal of improving quality, production, safety and efficiency.
- Install PLC equipment for new and existing control systems. Install new motor control centers, motor control center additions, and motor control center buckets.
- Install conduit and wire for motors, PLC's, and electric field devices including but not limited to: lighting, flow tubes, DP cells, valves, solenoids, and limit switches.
- Perform installation of low voltage electrical equipment. Low voltage work will typically involve equipment rated 480 volts ac, 220/120 volts ac, and 24 dc. Other low voltages may be encountered in daily work activities.
- Perform installation of high voltage electrical equipment. High voltage work will typically involve equipment rated 12,470 and 4,160 volts ac. Other high voltages may be encountered in daily work activities.
- Perform trouble shooting of electrical equipment. Construction Electricians are expected to assist with the startup of electrical equipment as needed.
- Oversee Electrical contractors.
- This position requires the employee to use fall protection equipment & respiratory protection equipment as appropriate.
- This position requires the employee to drive/operate Thiele owned equipment.

SKILL REQUIREMENTS AND QUALIFICATIONS:

- Two years of formal education and two years of experience in electrical installation or five years electrical installation experience.
- State Licensed Electrician is a plus
- Willingness to get Commercial Drivers License & become a Certified Crane Operator
- Ability to manage contractors working in multiple locations Good organization, prioritization, & problem solving skills
- Must be a safety leader well versed in Thiele safety policies. Must be comfortable educating and enforcing Thiele safety policies

Thiele offers excellent pay and a comprehensive fringe benefits package. This package includes medical and life insurance, dental, vision, sick pay, LTD, paid vacation and holidays, 401K, and educational assistance. Qualified candidates should email a resume to careers@thielekaolin.com. **Please note "Electrician Construction" in the subject line.**
