

## **Employment Opportunity – Environmental Technician**

Thiele Kaolin Company, a leading provider of tailored mineral solutions, is currently recruiting for an Environmental. This position is located in Sandersville, Georgia.

### **JOB DESCRIPTION, SKILL REQUIREMENTS, AND QUALIFICATIONS:**

- Ability to comprehend, coordinate, and help assist in the implementation of environmental policies and practices throughout operations.
- Work with Operations, Engineering, Maintenance, Production areas and contractors to ensure proper adherence to local, State and Federal environmental regulations and reporting requirements.
- Ensure compliance with environmental permits through field monitoring, testing, recordkeeping, and reporting.
- Gather and monitor correct disposal and/or recycling of environmental materials/waste (i.e., e-waste, oily waste, universal waste).
- Perform environmental audits/inspections/assessments to determine environmental performance throughout the company.
- Gather information for regulatory comments, permit submissions, or reporting requirements such as Title V Air Quality Permit and associated off-permit modification requirements; NPDES Industrial Wastewater, NPDES Construction Stormwater permits; Groundwater Withdrawal; SPCC; RCRA.
- Remain abreast of current regulatory requirements and assist in making others aware of these regulations.
- Attend Georgia Mining Association (GMA) and Environmental Committee meetings.
- Coordinate and provide support for the submittal of compliance reports to State and Federal agencies to meet regulatory requirements and permit conditions.
- Work with consultants as needed.

### **SKILL REQUIREMENTS AND QUALIFICATIONS:**

- STEM degree preferred or experience in technical analysis with plant experience
- Must be fluent with Microsoft Office (specifically Outlook/Email and Word)
- Knowledge of environmental requirements and laws and their application to Thiele Kaolin Company
- Industrial Wastewater treatment training/understanding
- Ability to earn a Visible Emissions certificate and an erosion sedimentation license is required
- Call-backs in inclement weather to monitor water levels required
- Majority of time is spent outdoors

Thiele offers excellent pay and a comprehensive fringe benefits package. This package includes medical and life insurance, dental, vision, sick pay, LTD, paid vacation and holidays, 401K, and educational assistance.

Qualified Candidates should email a resume to [careers@thielekaolin.com](mailto:careers@thielekaolin.com). **Please note “Environmental Technician” in the subject line.**

Any job offer will be contingent upon the successful candidate passing a physical exam, including a drug screen and a background check as warranted.

**Thiele Kaolin Company is an Equal Opportunity Employer.**

**Thiele Kaolin Company is a Drug Free workplace.**
