

Employment Opportunity

Lubrication Technician

Thiele Kaolin Company, a leading provider of tailored mineral solutions, is currently recruiting for a Lubrication Technician. This position is located in Wrens, Georgia.

MAJOR DUTIES:

- Monitor and maintain compressed air systems
- Conduct and document fugitive emissions testing as required
- Monitor and maintain containment basins for fuel, chemical and lubricants as required
- Maintain lubricant storage facilities and inventory
- Operate Hydralift and other shop tools

SKILL REQUIREMENTS AND QUALIFICATIONS:

- Ability to perform assigned tasks with little or no supervision
- Ability to work with others
- Demonstrated ability and willingness to learn and obey all safety rules and regulations
- Willingness to attend necessary training
- Ability to perform preventative maintenance activities
- Ability to identify potential problems and communicate concerns found while completing preventative maintenance activities
- Ability to identify tools necessary to do a job
- Know the names of most industrial equipment in the plant and mine and how most of it works
- Use fall protection equipment and respiratory protection equipment as appropriate
- Ability to drive/operate Thiele owned equipment
- Two or four-year degree from an accredited school or technical college, or two years of experience in a related field

Thiele offers excellent pay and a comprehensive fringe benefits package. This package includes medical and life insurance, dental, vision, sick pay, LTD, paid vacation and holidays, 401K, and educational assistance. Qualified candidates should email a resume to careers@thielekaolin.com. **Please note “Lubrication Technician” in the subject line.**

Any job offer will be contingent upon the successful candidate passing a physical exam, including a drug screen and a background check as warranted.

Thiele Kaolin Company is an Equal Opportunity Employer.

Thiele Kaolin Company is a Drug Free workplace.
